

Gunbarrel Veterinary Hospital Boarding Consent & Daycare Release

| 4636 North 55th Boulder, CO 80301 | (303) 530-2500

Pet(s) Name: _____ Owner name(s): _____

Primary phone # : _____ Secondary phone # : _____

Email: _____

On occasion a pet may become ill with **minor** conditions while boarding and/or attending daycare. The most common ailments are diarrhea, vomiting and lack of appetite. We will contact you at the numbers/email provided. We will examine and treat these conditions as needed for the health and comfort of your pet and follow up with you pending exam results.

If a **serious** medical emergency arises while your pet is boarding and/or attending daycare with us we will contact you at the numbers/email provided. In the event we cannot contact you, we will use our best judgement to decide what treatments would be appropriate which may include transfer to a 24-hour hospital for care. **Additional cost will apply.**

Initial: _____ Financial limit: _____

In some cases, we may need to obtain medical records for your pet. If we are not your primary vet care provider, please list the name of the veterinary facility where your pet receives care:

Any additional information we should be aware of while your pet is boarding/attending daycare with us? (i.e. food allergies, health concerns, behavioral concerns, personality traits):

In the unfortunate event of the death of your pet at our facility we will hold your pet until body care instructions are provided to us.

I understand that if I would like my dog to participate in daycare, during the course of participation, my dog may come into direct contact with all other participating dogs of all breeds and sizes, and that in the event of an interaction which may result in injury to my dog, to other dogs, or to other people, I alone assume responsibility for any such injury. Initial: _____

For the protection of pets at our facility, we require current vaccinations for DHPP in dogs and FVRCP in cats. Rabies vaccines need to be current according to local laws. Bordetella vaccine (kennel cough) is required every six months. If you do not bring verification, or we cannot confirm vaccine status, we will vaccinate your pet at our charge. Gunbarrel Veterinary Hospital is not responsible for lost or destroyed toys, blankets, beds or additional belongings.
